

# DRAFT

## ASSOCIATION OF AMERICAN INDIAN PHYSICIANS 39th ANNUAL CONFERENCE

Health Promotion and Disease Prevention in Indian Country:  
Mind, Body, Spirit

August 5-9, 2010 ♦ Albuquerque, New Mexico

### PROGRAM

*The approach to the plenary sessions starting Saturday afternoon is that each speaker would address: 1) the primary, secondary, and tertiary prevention strategies for each designated topic, 2) the incidence/prevalence of the topic in AI/ANs and 3) the presenting symptoms of each topic, if applicable (for ex: in women, sx. Of heart disease could present differently than men) The elder or traditional healer for the videos, which will be produced by AAIP, would present and discuss what it means to be a healthy child, a healthy female, a healthy male from the AI/AN definition.*
