

## Seeking Experienced Medical Director - Tufts Primary Care - Framingham & Wellesley, MA

Tufts Medical Center is seeking a site Medical Director to oversee our primary care practices in Wellesley and Framingham, Massachusetts. We are seeking a tenured primary care physician with the acumen to lead our practices to continued success. The candidate will be responsible for day to day operations, clinical practice oversight, staff engagement and driving quality based goals.

Tufts Medical Center is an internationally-respected academic medical center – a teaching hospital where we pride ourselves not only in the sophistication of the care we provide but the compassionate way in which we provide it. We care for all patients from the tiniest newborns at our full-service pediatric hospital, Floating Hospital for Children to centenarians in our specialized Geriatrics clinic.

As a proud member of Wellforce, we bring together providers and organizations with a shared vision of high-quality care delivered in the setting that serves our patients best. Together, Wellforce brings together the strength of both academic medicine and community care.

Join Tufts Medical Center Physician Organization in our mission to heal, to comfort, to teach, to learn and to seek knowledge to promote health and prevent disease.

As an employee of Tufts Medical Center Physician Organization you will receive:

- Guaranteed Base Salary
- Academic Appointment through Tufts University School of Medicine
- Substantive 401A retirement plan
- CME Funds and Time Away
- Generous Vacation and Holiday Policy
- Robust Benefits Package

Please forward a letter of interest and a Curriculum Vitae to Ashley Shea, Physician Recruiter, at [ashea1@tuftsmedicalcenter.org](mailto:ashea1@tuftsmedicalcenter.org). Review of applications will begin immediately.
