

M Northwestern Medicine®

Feinberg School of Medicine

The Division of Endocrinology, Metabolism, and Molecular Medicine at Northwestern University Feinberg School of Medicine seeks a full-time non-tenure-eligible Clinician-Educator at the rank of Assistant Professor or Associate Professor. Responsibilities include providing direct inpatient and outpatient care and consultation on the academic medical center campus. Division faculty are expected to teach graduate students and provide leadership and mentoring to our Endocrinology Fellowship.

Qualified candidates will have their MD or MD/PhD, be board eligible/board certified in adult Endocrinology and be eligible for medical licensure in the state of Illinois. Salary is commensurate with experience.

The start date is negotiable, and the position will remain open until filled.

When applying, please upload a CV and cover letter describing your interest and alignment with the position. Also upload this completed [list of references form](#) to suggest the names of individuals who could write letters of reference on your behalf.

Please read ALL instructions and make preparations before proceeding to the application page:

- Applications will only be accepted via online submission (see link below).
- Please prepare all documents in advance as Adobe PDF files, and please be sure all information is entered correctly and accurately (especially names and email addresses), as there will be no opportunity for online revision after your application has been submitted.
- All required fields in the application form are marked with an asterisk and must be filled before clicking the “Submit” button.
- Be aware that incomplete applications cannot be saved.
