

We're GROWING! Find your Future at Banner Health as a Member of our Diverse Team of Physicians!

We value and celebrate equity, diversity and inclusion by promoting and cultivating a culturally-rich workforce honored to serve, support and provide services to our diverse communities. At Banner we are a tapestry of cultures, experiences and expressions, and we are HERE FOR EVERYONE.

Experience the rewards of practicing with a large integrated health system that offers its physicians a financially stable environment, resources and support to provide excellent patient care, and dedication to physician well-being and development, unmatched in the industry. Banner Health, based in Arizona with practice options in six western states, has set itself apart as a leader in the communities we serve. Join Banner Health and enjoy quality care for your patients and quality time with those that you love!

- *****Banner Health was recently honored with a Diversity Impact Award by Becker's Hospital Review (September, 2021)**
- With 30 hospitals, over 200 clinics, academic division & several specialty entities, we provide comprehensive care while focusing on patient experience
- During the pandemic, we partnered with state officials & other hospital systems on COVID Surge strategies, ultimately balancing patient loads for all
- Banner Health has made a commitment to address physician well-being by launching a multi-year strategy aimed at mitigating burnout and cultivating happiness in medicine
- We're committed to Academic Medicine, Teaching and Research! In partnership with the University of Arizona, Banner – University Medicine curates clinical care delivery, education, and research to the forefront of excellent patient experience

At the end of the day, **this** is where you want to be.

The safety of our team members and patients is of utmost importance, so Banner is requiring the COVID-19 vaccine for all team members. As members of the health care field, we are in the business of caring for people, so we take seriously our commitment to ensure our patients and teams are safeguarded from this rapidly changing and dangerous disease.

Banner Health values and celebrates equity, diversity and inclusion by promoting and cultivating a culturally-rich workforce.
