

## Chair of OB/GYN

Tufts Medical Center and Tufts University School of Medicine, in Boston, Massachusetts, is seeking a new **Chair** for the **Department of Obstetrics and Gynecology**. The Chair will be responsible for leading all teaching and research activities within the Department, including medical students and graduate medical educational programs. The Chair will have proven administrative and leadership acumen to create and implement a strategic vision for the Department's continued success and growth.

The successful physician candidate should have a track record for successful clinical, academic and administrative leadership as a Department Chair, Division Chief or Section Head. Interested candidates should have experience and interest in growth strategies and the distributed academic model at a Top Tier Academic Medical Center.

Candidate credentials to include:

- Board Certification in Obstetrics and Gynecology and/ or added qualifications and boards in a subspecialty area
- Anticipated qualifications for academic appointment at the Associate Professor or Professor level
- Keen understanding for developing and leading ACGME accredited residency and fellowship programs
- Previous experience in healthcare quality, resource management, outcomes improvement, patient safety, staff engagement and positive patient experience
- Political savvy, emotional intelligence, and the ability to interact within all levels of system level management

Join a clinically renowned system devoted to delivering high quality care at a lower cost to patients. We are the principal teaching hospital for Tufts University School of Medicine. We are at the forefront of education, research and training for the next generation of physicians with 48 resident and fellowship programs with 453 residents and fellows. We conduct groundbreaking basic, clinical and health policy research and are in the top 10 percent of independent institutions receiving federal research funding and conduct \$50 million annually in extramurally funded research. Our quality initiatives consistently place us in the top 15% of all hospitals in the Vizient system.

Tufts Medical Center Physicians Organization supports, inspires and empowers our diverse physician membership to provide innovative and collaborative world-class, patient-centered health care by creating an environment for transformative education, training and research. As an employee of the Tufts Medical Center Physician Organization (TMCPO) you will receive competitive compensation, a comprehensive benefits package, and a generous employer retirement plan contribution.
