

Medical Director - Supervising Physician Specialist - Department of Public Health

salary: \$228,800 to \$316,004

Job Description:

Under the direction of the Primary Care Chief Medical Officer, the Medical Director:

- Plans, organizes, directs and is responsible for the overall operation of the health center
- Supervises and supports the professional development of medical staff, nurse manager, practice manager, and other members of the health center's management team
- Oversees the health center's quality improvement, quality management and care experience programs
- Participates in and supports initiatives to recruit, hire, and develop health care providers from underrepresented groups
- Addresses issues of workplace equity and inclusion
- Participates in grant management where applicable
- Participates in developing and managing partnerships with community based organizations, including identifying and responding to the health needs of the community
- Conducts meetings and provides trainings on clinical topics, policies, and procedures
- Provides continuity and urgent care to a panel of patients consistent with their medical specialty area (30% effort)
- Provides clinical consultation and coverage as needed
- Participates in after hours, remote, on-call, medical advice pool
- Performs other duties as assigned, including appointment as the Acting Primary Care Chief Medical Officer as needed

Qualifications Required

1. Possession of a valid license to practice medicine issued by the Medical Board of California or the Osteopathic Medical Board of California; **AND**
2. Possession of valid Board Certification[†] in the appropriate medical specialty area for the assigned facility or division; **AND**
3. Possession of valid Drug Enforcement Agency registration with the United States of Department of Justice (Special Condition); **AND**
4. Three (3) years of post-residency experience[‡] as a practicing physician in the respective medical specialty area.
