

Gastroenterologist – Inflammatory Bowel Disease (IBD)

Why Mayo Clinic? Mayo Clinic in Arizona is ranked as the best hospital in Arizona and #16 in the nation for 2020-2021 by U.S. News and World Report. Our Gastroenterology and GI Surgery Departments are ranked #1 in Arizona and #6 in the nation. Our multi-disciplinary group practice focuses on providing high quality, compassionate medical care. Mayo Clinic is the largest integrated, not-for-profit medical group practice in the world with approximately 4,800 physicians and scientists across all locations working in a unique environment that brings together the best in patient care, groundbreaking research and innovative medical education. We offer a highly competitive compensation package and exceptional benefits.

Innovation and compassion are paramount to providing world-class medical care to patients from all over the world. We lean on the variety of perspectives and backgrounds of our colleagues to continuously challenge ourselves and to create a workplace that supports diversity, equity, and inclusion. Become part of the legacy that embraces our differences and enables us to provide the best care to patients from all over the world. At Mayo Clinic you will find a culture of staff that inspire hope and contribute to health and well-being by providing the best care to every patient through integrated clinical practice, education and research.

Position Description: The Division of Gastroenterology and Hepatology at Mayo Clinic in Arizona is seeking a Board Certified Gastroenterologist with expertise in caring for patients with Inflammatory Bowel Diseases. The selected candidate will join a collegial team of dedicated and talented physicians and staff thriving in a dynamic clinical academic practice with cutting-edge technology. Preference will be given to those experienced in IBD care with expertise in clinical trials, epidemiology, and/or outcomes research. Educational expertise is desired to work with learners from students through advanced fellows. Leadership opportunities will be available in clinical practice, research and education, based on interest and experience of the selected candidate.

The Mayo Clinic IBD Center is staffed by gastroenterologists, colorectal surgeons, nurse practitioners, nurses, medical assistants, dieticians and pharmacy who treat our patients in a highly collaborative, team-based practice.

We offer state-of-the-art Endoscopy Units and a Motility Laboratory with facilities and support for clinical or laboratory-based research. Physicians are designated an appointment to the Mayo Clinic College of Medicine with Academic Rank that commensurate with experience. Mayo Clinic also offers highly competitive salary and comprehensive benefit packages.

License or Certification: Candidates must be board-certified/board-eligible in Gastroenterology with training in endoscopy
