

**FULL TIME CLINICAL FACULTY MEMBER –
DIVISION OF REPRODUCTIVE ENDOCRINOLOGY AND INFERTILITY
OREGON HEALTH & SCIENCE UNIVERSITY**

The Department of Obstetrics and Gynecology at Oregon Health & Science University (OHSU) in Portland, Oregon seeks a full-time faculty member to join the Division of Reproductive Endocrinology and Infertility (REI). The ideal candidate will have outstanding clinical expertise, along with a strong commitment to scholarly pursuits and the potential for academic accomplishment. Applicants should be committed to teamwork, and mentorship of faculty, trainees, and students. Physicians with proven skills in IVF and related technologies preferred.

Clinical responsibilities will include providing outstanding clinical care to patients of the University Hospital and Clinics and affiliated hospitals and clinics.

The Department of Obstetrics and Gynecology offers a wide range of opportunities to support research in basic and clinical science relevant to reproductive endocrinology and infertility, in clinical care and in teaching. Scholarly activity is expected and encouraged.

This position includes participation in the teaching and training of medical students, residents and fellows, in accordance with the teaching mission of OHSU and the Department of Obstetrics and Gynecology.

The position requires a medical degree (MD or DO), Oregon licensure, and completion of an approved REI Fellowship Program. Applicants must be board-eligible or certified in Reproductive Endocrinology and Infertility.

Please apply [here](#); be sure to upload a CV and cover letter.

Oregon Health & Science University values a diverse and culturally competent workforce. We are proud of our commitment to being an equal opportunity, affirmative action organization that does not discriminate against applicants on the basis of any protected class status, including disability status and protected veteran status. Individuals with diverse backgrounds and those who promote diversity and a culture of inclusion are encouraged to apply.
