

The University of Rochester School of Medicine and Dentistry is seeking hospitalists interested in expanding our clinical, academic and scholarly missions in an environment that promotes diversity and inclusivity at Strong Memorial Hospital in upstate New York. Clinical responsibilities include admitting and managing patients on our hospitalist-led inpatient and co-management services in partnership with our residents and experienced APP workforce. Opportunities to engage in quality improvement, medical education, mentoring, administration, leadership, interdisciplinary collaboration and other scholarly activities are available and encouraged. Ongoing education and professional growth are fostered through our division's robust faculty development program.

Candidates must have an MD/DO or equivalent and must have completed a residency in internal medicine by July 1, 2021. Candidates with satisfactory completion of a family medicine residency program and a fellowship in geriatrics will also be considered. Candidates must be eligible for NY medical licensure and BC/BE in IM. Appointment rank will be commensurate with academic accomplishments and experience. Consideration will be given to both full and part time applicants. Flexible scheduling opportunities are available.

The University of Rochester is an Equal Employment Opportunity/Affirmative Action employer that does not unlawfully discriminate in any of its programs or activities on the basis of race, color, religion, sex, national origin, age, disability, veteran status, sexual orientation, gender identity or expression, or on any other basis prohibited by applicable law.

Interested candidates should email their CV and cover letter describing your interest and alignment with the position to Maryann Countryman at [maryann\\_countryman@urmc.rochester.edu](mailto:maryann_countryman@urmc.rochester.edu)
