

At Carbon Health, we believe in the power of health, of medicine, and of technology. We've built a diverse and passionate team of employees who are all driven to learn from one another and reach Carbon Health's mission of bringing high-quality healthcare to everyone.

- Ranked on Inc. 5000's list as the 2nd-fastest-growing private company in the U.S. in 2021
- Recognized as a LinkedIn Top 50 Startup in 2020
- More than 90 clinics in 14 states; growing to reach 1,500 clinics nationwide by 2025

**Carbon Health** is looking for caring Urgent Care and Primary Care Physicians for several of our clinics nationwide. You will join a growing community of healthcare providers to deliver compassionate, evidence-based primary or urgent care.

#### **About You:**

- State licensed physician, experienced in Primary or Urgent Care, Emergency, Family or Internal Medicine
- Passion for relationship-driven, human-centered care for patients of all backgrounds
- Desire to provide input to build a new and exciting model for healthcare delivery
- Ability to promote a respectful, transparent, positive team environment

#### **What We Offer:**

- Forward-thinking, transparent, and inclusive company culture
- Competitive salary, generous paid time off, learning time off
- Comprehensive benefits package including medical, dental & vision Insurance with 100% of monthly premium covered for employees & 80% for dependents
- 401k with employer match, pre-tax commuter benefits (transit and parking)
- FSA, HSA, and dependent care options
- Medical malpractice insurance covered
- Clinical Rounds for ongoing learning through Carbon Health clinic cases
- CME subscriptions include UpToDate, HippoED, and ECGWeekly for full time clinicians
- Employee referral bonus program, employee resource groups, and professional development access through Udemy Business
