

Please Register and Join Us for the 2021 Virtual AAIP Annual Meeting and Health Conference

July 29 - August 1, 2021

Dear AAIP Members,

If you haven't already, please remember to register for our annual meeting, July 29-August 1st. While the conference will officially open on the 30th, we will have two preconference events on Thursday the 29th. The Native Center for Behavioral Health will host two preconference sessions, covering the mental health impacts of COVID 19 in our communities and integrating trauma informed care into practice. That evening there will be three events including a men's talking circle, an LGBTQ talking circle and a women's retreat. We will officially begin the following morning. As you can see from the agenda posted on the registration site, we have two days full of great talks, program presentations, and student recognition. At the end of Friday and Saturday, we will have our business meetings.

Please remember that you must have your dues paid in full to be allowed entrance to the business meetings. This year, in addition to updates from our Executive Director, treasurer and committees, we will be voting in new members to our AAIP Board of Directors. We will also be discussing important issues such as AAIP regional hubs and potential changes to AAIP by-laws regarding membership,

I hope you join us. I think this is going to be an excellent conference and am looking forward to seeing familiar and new faces as AAIP transitions into its 51st year.

Finally, please contact me or the AAIP office if you are interested in serving on the planning committee for our "50th" Anniversary celebration in July 2022.

Gunalcheesh'

Mary
