

## DEPARTMENT OF PEDIATRICS

The Department of Pediatrics at the University of Washington School of Medicine invites applications for the position of Pediatric Residency Program Director!

Appointment as full-time Associate Professor or Professor of Pediatrics at the University of Washington School of Medicine will be commensurate with experience, training, and achievement.

All University of Washington faculty engage in teaching, research, and service.

The anticipated start date is Summer 2023.

### Function of Position:

Leadership, strategic direction, and oversight of the Department's Pediatric Residency Program. Broadly, the program director has responsibility, authority and accountability covering every aspect of pediatric residency education and training. This includes oversight of:

- Curriculum and evaluation
- Learning environment
- Diversity, equity, inclusion, and anti-racism initiatives
- Faculty as teachers, coaches, mentors, advisors, and role models
- Supervision of residents, including work hours
- Program management, including program evaluation and improvement, communications, ACGME accreditation, and program resources
