**Location** Greater Phoenix Area

**Address** 1111 E. McDowell Rd, Phoenix, AZ 85006 USA

### Position Highlights

The University of Arizona College of Medicine – Phoenix is seeking an outstanding clinical and academic physician leader to serve as Chair for the Department of Anesthesiology. There is an enormous opportunity for growing and developing an exceptional Department, with impact across the City of Phoenix and beyond. The Chair, appointed at the associate or full professor level, will be responsible for strategic leadership and directions for all aspects of the clinical, education, research and other programmatic missions of the department.

The successful candidate will meet the requirements for either career track or tenure track faculty according to the College and University guidelines.

The Chair will develop, recruit, expand and lead a team of anesthesiologists, ancillary staff and personnel. Specific needs and opportunities include recruiting faculty members, building clinical programs and evolving clinical investigation. The Chair will lead the development of a residency training program in partnership with Banner – University Medical Center Phoenix (Banner – University Phoenix).

The Chair reports directly to the Dean, College of Medicine – Phoenix for all academic activities. Consistent with the Academic Affiliation Agreement (AAA) between the University of Arizona and Banner Health, the Chair will have a matrix reporting relationship to the chief executive officer (CEO) of the Banner – University Medical Group (B-UMG) and CEO of Banner – University Medical Center Phoenix for all clinical activities conducted at Banner – University Medical Center Phoenix.

The University of Arizona College of Medicine – Phoenix anchors the 28-acre Phoenix Biosciences Core (PBC). The College inspires and trains individuals to become exemplary physicians, scientists and leaders who are life-long learners and inquisitive scholars. We embrace professionalism, innovation and collaboration to optimize health and health care for all.
