

UW Medicine

UW SCHOOL OF MEDICINE

Job Description:

The University of Washington Department of Family Medicine (DFM) is seeking clinicians of varying experience for different titles (i.e. Regular WOT, Clinical and Acting) to provide and teach full spectrum family medicine. Special skills in obstetrics, inpatient medicine, and point of care ultrasound are particularly desirable. The Department of Family Medicine at the University of Washington School of Medicine leverages the transformative power of family medicine to create more just and equitable healthcare for all through education, scholarship, and clinical care. We value the unique talents and contributions of each individual and strive to build a diverse faculty representative of the communities we serve. Come join us as we seek to transform primary care and build an integrative delivery model that puts the patient first and seeks to care for the whole person, family and community.

Job Requirements:

- MD, DO or other doctoral terminal degree (or foreign equivalent) in a relevant field
- Board certified by the American Board of Family Medicine
- Must hold or be eligible for Washington State medical license
- Positive factors for consideration include, but are not limited to, obstetrics fellowship training, and experience with or demonstrated commitment to Diversity, Equity and Inclusion (DEI)

Application Instructions:

Interested applicants should visit our Employment website to apply for one of our clinician openings: <https://familymedicine.uw.edu/about/employment/>

Informal inquiries can be directed to Misbah Keen, MD, Professor and Executive Vice Chair at mkeen@uw.edu
