

University of South Dakota Sanford School of Medicine

# Associate Dean for Medical Education

**The USD Sanford School of Medicine is seeking candidates for an Associate Dean for Medical Education to work collaboratively with the senior academic dean and the associate dean of medical student affairs to:**

- Work to enhance existing academic programs and create new academic offerings, including inter-professional and cross-disciplinary programs.
- Assure accreditation of the MD educational program in collaboration with the Senior Academic Dean.
- Support the college's commitment to creating an environment that is personally and professionally rewarding for faculty, staff, and students.
- Oversee Office of Assessment and Medical Education.
- Help to orient and mentor junior faculty.
- Assure that all academic processes and procedures are followed.
- Represent the college in the Central Group on Educational Affairs (CGEA) of the Association of American Medical Colleges (AAMC).
- Engage in appropriate scholarly activity.

## **Qualifications must include:**

- Doctoral degree (MD, DO, PhD, EdD) or equivalent.
- Experience in medical education curriculum development and management.

Application materials should be submitted online at <https://yourfuture.sdbor.edu/postings/40621> and include a cover letter and curriculum vita.

**Consideration of candidates will begin October 15, 2024 and will continue until the position is filled.**
