Open date: November 6, 2024

Next review date: Monday, Dec 9, 2024

Apply by this date to ensure full consideration by the committee.

Final date: Friday, Oct 31, 2025

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

### POSITION DESCRIPTION

The University of California, Irvine, School of Medicine, Department of Plastic Surgery is now accepting applications from skilled physician educators who are passionate about advancing clinical care, education and research within a clinical/academic setting. Positions are anticipated in the Health Sciences Clinical Professor series, at the Assistant or Associate Professor rank.

### Qualifications

Candidates must possess an M.D. or M.D./Ph.D., board certification or board eligibility in Plastic Surgery, and a California Medical License/ California Medical License eligibility. The ability to obtain UCIMC staff credentials is also required.

The incumbent will be expected to teach fellows, residents, medical students and other academic learners, provide quality patient care, collaborate on research and/or creative works and perform university and public service. Demonstrated evidence of capabilities for excellent teaching and creative works suitable for the series is expected for appointment to this series.

The incumbent will be expected to teach fellows, residents, medical students, and other academic learners; provide patient care; contribute to scholarly activities; and provide public and University service.

Positions are dependent upon funding. Rank and salary will be commensurate with training, qualifications, and experience.
